Terms & Conditions

Cancellation Policy: Once a contract has been signed and accepted by Verticom, the following cancellation policy applies: The exhibitor is liable for 50% of the total amount contracted, if cancelled in writing more than 90 days prior to the event. If the cancellation occurs within 90 days of the event, the exhibitor is liable for 100% of the contracted amount.

Signature: I have read this Application & Contract ("Agreement" or "contract") and understand it will become a binding contract upon the acceptance by Verticom and is subject to the basic terms and conditions stated on the reverse side hereof and the rules and regulations contained in the Exhibitor Information Kit, which rules and regulations are incorporated herein and made a part of this Application & Contract. Please return copy with payment to Verticom. In addition, please scan and email a copy of this contract to info@verticom.gr to reserve your booth or sponsorship.

1. **CONTRACT & ARBITRATION.** This Agreement between Applicant ("Exhibitor") and Verticom, ("The Management" or "Event"), shall constitute a valid and binding contract. The Management reserves the right to render all interpretations and to establish further regulations as it may deem necessary for the general success of the Event. It is further agreed that the conditions, rules and regulations, as herein stated and as outlined in the Exhibitor Information Kit, are included in this contract by reference and are made part hereof as though fully incorporated herein, and that Exhibitor agrees to be bound by each and every one thereof. All disputes, differences or questions arising out of or relating to this Agreement, or the validity, interpretation, breach, violation or termination thereof, shall be finally and solely determined and settled by arbitration at Athens-Greece in accordance with the existing Commercial Arbitration Rules of the Greek Arbitration Association. The arbitrators may grant any remedy or relief deemed to be just and equitable. Judgment upon any arbitration award(s) may be entered and enforced in any court of competent jurisdiction.

2. **USE OF SPACE.** The Management reserves the right to decline, prohibit or expel an exhibit which, in its sole judgment, is out of keeping with the character of the Event, this reservation being all inclusive as to persons, things, printed matter, product, conduct, sound level, etc. Distribution of advertising material and exhibitor solicitations of any sort shall be restricted to Exhibitor's booth. Exhibitor's exhibit or product may not extend into any aisle. Exhibitor shall not arrange its exhibit so as to obscure or prejudice adjacent Exhibitors. Exhibitor shall not assign or sublet any part of its assigned space without the written consent of the Management. Any space not occupied by the time set for completion of installation of displays will be reassigned at the discretion of the Management. All booth rentals paid will be retained by the Management unless special arrangements have been made in advance. Exhibitor will keep its exhibit booth(s) open and staffed at all times during Event hours.

3. **BOOTHS.** Standard booth equipment (as described in the application form) is provided by the Management without cost to Exhibitor. If Exhibitor plans to install a completely constructed display of such character that Exhibitor shall not require or desire the use of standard booth equipment, no part thereof shall so project as to obstruct the view of adjacent booths. Please refer to the "Booth Definition" diagram included in the Exhibitor Information Kit. Raw wood, cardboard or similar materials for wings to booths must be covered or painted if they are visible to adjacent booths. Exhibitor is also responsible for masking the "bones" of Pop-Up Displays if they are obtrusive and visible. The Management reserves the right to mask these areas at Exhibitor's expense, if necessary. Failure to comply with the rules and regulations as stated in the Exhibitor Information Kit will result in the alteration or removal of the display at Exhibitor's expense. Rental fees for services and exhibit space are not refundable at the time of removal. Exhibitor shall be bound by all applicable and pertinent laws, codes and regulations of the municipality or other authorities having jurisdiction over the facility or the conducting of such expositions, together with the rules and regulations of the owners and/or operators of the facility in which the Event is held.

4. **EXHIBITOR NON-COMPLIANCE.** It is agreed that if Exhibitor fails to comply, in any respect, with the terms of this Agreement, then the Management shall have the right, without notice to Exhibitor, to sell or offer for sale the exhibit space covered by this contract. Exhibitor shall be liable to the Management for any deficiency, loss or damage suffered by the Management, together with reasonable expenses and costs incurred by reason thereof. It is further agreed that the actual occupation of the exhibit space by an exhibit is of the essence thereof, and should the Management be unable to effect the sale of the space as herein provided, the Management is then expressly authorized to occupy or cause said space to be occupied in such a manner as it may deem in the best interests of the Event, without any rebate or allowance whatsoever to Exhibitor and without in any way releasing Exhibitor from any liability hereunder, and Exhibitor expressly agrees to pay the full sum as herein set forth. The Management will not be liable for the non-fulfillment of this Agreement as to the delivery of exhibit space if non-delivery is due to any of the following causes: by reason of the facility being damaged or destroyed by fire, act of God, public enemy, war or insurrection, strikes, the authority of the law, postponement or cancellation of the Event or if the Event is canceled or postponed for any reason beyond the control of the Management.

October 7, 2025 - Zappeion Exhibition & Conference Hall, Athens Greece

If the Event is not held for any of the above-named reasons, the Management will reimburse Exhibitor for amounts paid in, less actual, out-of-pocket expenses incurred, such as rent, advertising, labor, operating costs, etc., on a pro-rata basis.

5. **INSURANCE.** Exhibitor shall carry commercial liability insurance covering products, services and operations, employees, independent contractors, personal injury and blanket liability. Coverage must be evidenced by a current certificate of insurance supplied to and naming Verticom and the convention center as additional insureds at least 30 days prior to the start of the Event. Exhibitor shall be fully responsible to pay for any and all damages to property owned by the convention center, its owners or managers which result from any act or omission of Exhibitor. Exhibitor agrees to defend, indemnify and hold harmless the convention center and Verticom and their respective owners, managers, officers, directors, agents, employees, subsidiaries and affiliates, from any damages or charges resulting from Exhibitor's use of the property. Exhibitor's liability shall include all losses, costs, damages or expenses arising from, out of or by reason of any accident or bodily injury or other occurrences to any person(s), including the Exhibitor, its agents, employees and business invitees, which arise from or out of the Exhibitor's occupancy and use of the Event premises, the Venue, or any part thereof, except to the extent such losses result from the negligence of the convention center and/or Verticom.

6. **AVAILABLE SERVICES.** On behalf of the Exhibitors, the Management has designated official exhibition contractors to provide the following: furniture, booth and floor decorations, signs, etc. Services of electricians, plumbers, carpenters and other labor will be available and charged for at the then prevailing rates. Contractors and rates will be listed in the Exhibitor Information Kit. The Management assumes no responsibility or liability for any services performed or the materials delivered by the foregoing persons, parties or organizations. Arrangements for these services and payments are to be made between Exhibitors and official exhibition contractors. Rules and regulations for union labor are made by the local unions and these regulations may be changed at any time. Where union labor is required because of building or contractor requirements, Exhibitor agrees to comply with the regulations.

7. **PROTECTION OF FACILITIES.** Nothing shall be posted on, tacked, nailed, screwed or otherwise attached to the columns, walls, floors or other parts of the convention hall exhibit area without permission from the proper building authority. Caustic or staining fluids/materials must not be used where they may damage floor coverings. Packing, unpacking and assembly of exhibits shall be done only in designated areas and in conformity with the directions of the Management and/or the convention hall management, as applicable.

8. **INSTALLATION & DISMANTLING.** The specific requirements as to time for installation and dismantling of exhibits shall be set forth in the Exhibitor Information Kit supplied to each Exhibitor for this particular exhibition. Such requirements shall be binding upon the Exhibitor as though fully set forth herein.

9. **RULES & REGULATIONS.** Exhibitor will fully comply with all the rules and regulations issued by the Verticom Management as amended from time to time, as well as those of the exhibition venue and the health protocols.
